

# Denmark Running Club sponsorship application

Congratulations on your child being selected for sport representation. As a small regional club we understand the financial pressures facing families. We acknowledge this increases when children are competing in representative teams. To assist Denmark families, DRC have initiated a sponsorship opportunity providing families with an avenue to offset some of those expenses. Once the application is received the DRC committee will review each application and initially approve based on meeting the criteria on this form and on the individual merits of each application.

Scholarships of \$250 may be awarded for children in State Country Teams, Individual Representation and State School teams. \$500 may be award for state team inclusion or individual representation. No sponsorship will be provided for sports in which prize money is awarded.
